SATURDAY, FEBRUARY 24, 1855.

The veto of the French Spolistica bill ems to have created lit le sensation beyond the Vol.new, O, 1 vod and lost one, could'at then say: lobbies at Washington. A hebie bote ou cries "flecall ht" The lapse of long and weary years widows and orphans, raised by them, is the best Have failed from out my throbbing beart to crust that we have in the way of indignation, We like mem'ry of that holy time. We met! have received the message of the President. It That sad, cork time, bow many days here passed is chiefly taken up with a discussion of the con- Fom en th, like combre shadows .. 'er the w.ll. troversy with France upon the transactions in We pared? O, the mem'ry of that hour! which these claims originated. The measure I law the some phantom, with its broadings wings annihilates the protense that our government Of girom and darkness, o'ur my rehing beart with France, and received a consideration, and is therefore bound and received a consideration, and is therefore bound and received a consideration, and is therefore bound as the consideration and t is therefore bound to pay these claims out of the Amid the hosy heads of men-when laugh

Our government used all disgence, and a and eath of first, even to the connectement of hostilities, to prove the payment of these claims.—

All the, France would acree to the claims.—

Come with their magic spell upon the heart. All that France would agree were just, were O, then the mem'ry of that sait, dark hour paid to the claimants in good faith. Our gov. la over fosting through my soul; and la erimont gover refinquished a single claim of our when the carth lies do ping it ber garb the President shows beyond contradiction. And will mean'ty's cell ound in my keart. is it not absurd to surpose that our statemen sold the claims of our people, received the conof well do I reall that treasured spot,
sideration, and then refused to pay over what
Where first limit the treasured spot, it received. The charge its If is a very gross one, Upon thy sweet young face. It was amid and altogether incredible. The history of the The grond and gargeons beauty of the dim transaction shows that the statemen were not guilty. If France did not allow all installing of Our heads their green and pendant plumes, and June's guilty. If France did not allow all just claims upon Y. ung times peoped from out the fragrant grass her, it is not the fault of our government; it did all somethour feet, and all he quiet air that any government is bound to do for its citi. Was filled withoders from the perfumed leaves; sens, and is therefore clerr of all responsibility in the premises. If there is any poor widows and opinaus in the case, which is very questionable, they are no worse off than others without the clark of the case which is very questionable, they are no worse off than others without the clark of the case o ary claims upon the government.

The question is not who the claimants an , but whother the claims are just. Let us be just by 1, was the calm's cut hour of stars and always all means, and charitable when we can be. The Thomas n, full orbid and lustrous as the light truth is, however, that these unfortunate wild me of the dark, at rione eyes, from out ber home and orphaus are agents and Lobby members of The wind sighed and. O, however's should deep Congress, assignees, and insurance offices, with their numerous attorness, whose sympathies are in their purious, and their patriousian incurred.

The wind signed soit. O, however's monthless blue was gorgeous with the light their purious in monthless and their patriousian incurred. The sleeping corth was made. by dollars and cents.

There are several other Galphin schemes be- The lack whose golden breast had caught the fast faint fore Congress, which the President can hardly
veto, but which ought not to pass. A few days
of the assuing of Congress only remains suither. The locust piped no more amid the leaves of the session of Congress only remain, and the His drowey soug, and in the decisive, falut I ressure of the hungry to spoils will be fearful. And low, the case id a murmur niet the ear-

Know Nothing Nominations.

The know nothing convention made a nomina- O, it was Love's own buly time! It was tion yesterday a ter a'l. Voltaine Loving, of Love's first sening 'mid the wavy leaves.

Warren, for Governor, and EDWARDS, of Logan, We set amid the shadowy trees, and looked for Lr. Governor, and Erwards, of Logan, for Lr. Governor, the fermer a whig, the latter a whig in 1848. What he has been effice we are not informed, but he is a know nothing row, of course. Well, the brethren have shown themselves krow nothings sure enough, of the natural sort, in our private opinion. We are not surprised at their doing old things, however.—

They are an odd party, take them all round. It they are satisfied with the exploit they have they are satisfied with the exploit they have into the instrument of the volce achieved, we are.

If the brethren had thought of it in time, and Chanalaging from their sleep-and yet I saw laft the whole subject to us, we could have made Butthes. them a better ticket with our eyes shut. As it is they have had a great gathering, epent the r time and money, made long speeches, drank a The mem'ry of that haur is liegering still; good de.l of bad whisky, and made a ticact to And when, as somotimes yet, I meet thee l the battern believe it can? Not they. Sam is betrayed. The whigs must assemble and do better than this. It took John J. Crittenden to beat a democratic Governor seme years ago, and the Hor. A Discount of th

Horrible Murder of a Female—The
Inhuman Ferpetrator of the Deed
Arrested—Trial, de.
Our city was thrown into great excitement on
Saturdey morning last, by the report of a most
brits and inhuman murder, committed the night
hefore it appears that a man named Graham
had been living is the upper part of the city,
with a woman of ill-fame, named Mornison—
They had been occupying the house only for a
few days, and seemed to be living very peaceably regether until the night in constitution.

They had been occupying the house only for a
few days, and seemed to be living very peaceably regether until the night in constitution.

They had been occupying the house only for a
few days, and seemed to be living very peaceably regether until the night in constitution.

They had been occupying the house only for a few days, and seemed to be living very peaceably together until the night in question. But heards dyed in blood, a knife in one hand, and his rifle in the other. He remarked that he "had killed her—that there was another person be in teeded to kill, and that he would then leave Padresh." When the woman teached the rown of the the Her throat was black, where the scounderly had been getting brick and lumber from the hard. She expired in a few moments afterwards. The Corone,'s jury rendered a verdict in accordance with the foregoing facts. Graham was arrested or. Saturday, and but for the fact that he was hurried off to jail immediately, was the military companies were peasing. Bail to Saturday, and but for the fact that he was hurried off to jail immediately, was the military companies were peasing. Bail to Saturday, and but for the fact that he was hurried off to jail immediately, was the military companies were peasing. Bail to Saturday, and but for the fact out: "Bluee, one of your members is accreated."

She begged to be let off, and said she would be leve town forthwith. Discharged.

Com'they the night, a wonan in the adjoling port, but into teach of the proper the proper to the proper of the parties are man and wile. The husand points are leave town forthwith. Discharged.

THOMAS HOLLOWAY, 34, corner of Ace and Nassan stracts, N. Y. The Blood, Liver, and Bilous Complaints most handsome in the world, at a certain period lose their tests and good looks while yat in the heyday of life. These ovils may be a footeally remedied by continually keeping the sheed pure, and the liver and at much lu a healthy action, when life will flow amonthly. I say fourlessly that boulth and life may be grained for years beyond the ordinary limits of Hollo way's Pills are taken to parify the blo d, is accordance with the directions who, accompany each box.

Cure of Weakness and Deblity of Ten Years' Standing. Capt. John Johnson, of Astor Honey, Naw York, re-

fored tor ten years from a derangement of the Livel and tomach, and was so reduced in atrangen that in never expected to g; fo sea any more, having tried every known remedy without darkiving beseft. leat, he had recourse is inditionally Pills, which completely cured him, after using them for three no. the anil he cow enjoye the soundest health. These calebrated Pills are manderfally agreeious in the fallowing camplaints: Debility Hondache
Dropay Indigaction
Erystpoins Janualee
Founds tregulari- Livar Complaint
Piles

In There is considerable saving by taking the larger slates.

N. B. Directions for the guidance of patients in avoir, disorder are affined to each bix. M. SOLOMONS: Being compelled to wear spec taclos, I have mover bean able to get a pair but what made my eyes sohe—I have tried a great many classes, but always failed, sould I abtained a jair from Jon. I can see by day or candle light for any larget of time, with the greatest asse and comfort.
P. S. I forgot (to monition that my wifn is grantly be undited by the just abe got, and equally pleased.
J. H. KYAN,

Ma Schomons: Sir - I think it no more than an action of justice to you as well as to the American commer. Ity to state the speciacies I bombtef you sait me well. I find my sight succh improved. I can are amaing print with them for any langth of tions without fatigue to my eyes.

Yours (ruly,

JAN. MARSHALL,

Cor. Jafferson a Seventh at.

LOUWILLE, Nov. 16, 1854. 1 take pleasure lu saying I have used a pair of Mr Solomon's colabrated Spectacles for the past the works, by day and by gas light, and prefer them aldedly te any glasses hareofore used by me, be pleasant and easy to the eye. I have been us glasses for the past ten years.
